

Our Neighbourhood plan

LOOK OUT FOR FUTURE PRESENTATIONS

Includes the wards of;

Alvechurch, Bordesley, Hopwood and Rowney Green

Why get involved?

This affects the whole Parish not just Alvechurch !

In the past, most people's involvement in the planning process has been reactive – Under new legislation communities will be able to make their own plans and policies and shape the future of their areas. This could include determining the location of essential facilities, services and houses etc. along with setting standards of design plus making sure that adequate infrastructure is in place to suit new development.

Our steering group of community volunteers along with a few enthusiastic Parish Councillors will assist in making our Neighbourhood Plan, the first to start in Bromsgrove District.

In order to accomplish this:-

We would like your views / help and support if only by answering the surveys etc. Find out a little more about how we can make our Parish the best it can possibly be, ask one of the Steering Group if you have questions, view the plan on line at:-

<http://alvechurchparishplan.org/>

Look out for coming dates at Hopwood and

- HOUSING
- TRANSPORT
- LEISURE
- HEALTH
- EDUCATION
- CRIME
- FOOTPATHS
- CANALS
- COUNTRYSIDE
- GREEN BELT
